

Louis M. Groen Nature Preserve Otsego Lake County Park Irontone Springs Wah Wah Soo Libke Fields Community Center

Dear Students and Parents:

We encourage you to visit the Otsego County Community Center and experience the variety of activities and leagues that are offered. Our goal is to provide a safe environment for students to come after school as well as on the weekends. The facility is under the management of the Otsego County Parks and Recreation Commission.

The Open Gym time available for school age students during the week is as follows: Monday, Wednesday, Thursday and Friday from 3:00 – 5:00pm. Students ages 18 & under and still in high school are permitted to use the facility during this time. Students are not permitted to come to the facility during school hours. On the weekends we offer varied opportunities for Open Gym time for both students and adults. Adults ages 18 & over who are no longer in high school are not permitted to use the facility from 3:00 – 5:00pm during the week unless they are a parent or guardian of a student using the facility.

In order to maintain an enjoyable atmosphere for students, various rules and regulations are necessary. These regulations are established and enforced to uphold the rights for all members of the community. When the regulations are not observed, there will be disciplinary action taken.

Please familiarize yourself with the attached Disciplinary Action Policy. If you have any questions or concerns please contact us at (989) 732-6521. The Parks and Recreation Commission welcome your comments and suggestions at their monthly meeting. The board meets the Second Monday of every month at 6:00pm usually at the Otsego County Community Center.

Thank you.

OTSEGO COUNTY PARKS AND RECREATION COMMISSION
